A CARVED SANDSTONE BIRDBATH,

late twentieth century,

the shallow bowl with everted rim raised on hexagonal section stem and socle base; carved monogram to one side,

DIMENSIONS: 104cm (41") High, 60cm (23½") Wide

STOCK CODE: 49104

HISTORY

a broken corner to the base is supplied, although recent de-lamination has removed the weathered patina; the birdbath separates at the stem/socle joint, there is a shallow socket that will require mortaring in place when in situ,
