A DUTCH STEEL "BAKFIETSEN" - A TRADITIONAL DELIVERY TRICYCLE,

made in Amsterdam, c.2010, by Workcycles, **ON RESERVE**

the robust steel frame and later English-made teak cargo box raised on the three 26" wheels, the frame centrally articulated for steering, drum hand-brake, fixed-chain 1:1 transmission, leather sprung saddles and wish-bone suspension,

DIMENSIONS: 114cm (45") High, 100cm (39^{3/4}") Wide, 257cm (101^{3/4}") Long, [Cargo box measures: ext: 47h x 75w x 132 cm]

STOCK CODE: 44778

HISTORY

These delivery bikes - despite their weight and size - are surprisingly easy to handle. Great for promotional and street-market work, as well as a sustainable delivery option they are amazingly sturdy. All bearings are sealed, the drive-chain is covered. Their sole limitation is: hills. They are great on the flat - avoid hills. Used condition. bearing label: "Bakfiets" Type: Baby No. 6070, Frame 406
