A FRENCH DECORATIVE CAST-IRON BALCONY PANEL

19th Century, double sided

the rectangular panel with a run of circlets to its margins around a field of geometric foliate scrolls centred with opposed displaying phoenix

DIMENSIONS: 64.5cm (25^{1/2}") High, 114cm (45") Wide, 1.5cm (0^{1/2}") Thick

PRICE: £615

STOCK CODE: 47170

HISTORY

This panel, by repute, was salvaged from a war-ravaged house in Rhiems, France. It does bear losses to the scrolls that do appear unusual insofar as they are not at vulnerable points: possibly then damage from bullets or scrapnel. Later powder-coat painted.
