A GEORGE I WROUGHT IRON BRACKET SPINDLE

C.1720

the open scrollwork body applied with leafy ornament,

STOCK CODE: 22725_1

HISTORY

This wonderful and characteristic staircase baluster exemplifies the attention to detail and extravagance applied by Georgian craftsmen to the grandest of houses. Traces of gilding can be found on the leaf appliques. It is rare to find ironwork of this age and calibre. metalwork , ironwork, spindles, Georgian, English, rarity
