Old Romney, Kent

the plain register plate with beaded mouldings and applied roundels above the bowed railed basket with urn surmounts and cheeks with conforming roundels, all above the serpentine apron (rebuilt) with pierced lenticular ornament,

DIMENSIONS: 110cm (43^{3/4}") High, 100.5cm (39^{1/2}") Wide, 30cm (11^{3/4}") Deep

STOCK CODE: 46736

HISTORY

This register grate is a classic of its type. We found it languishing in a barn in Kent and bought it as part of a clearance. We have rebuilt the backplate and damper plate and the pierced apron running underneath the basket. The register plate we did not subject to the polishing wheel as it hadn't been touched in decades – if not centuries.
