A GEORGE IV CARVED SLATE SUNDIAL PLATE,

by Thomas Toonan, 1827,

marked with hours and the Zodiac calendar, with two bronze gnomons, signed and dated; with an old lichen covered patina; the reverse carved with the same calibrations- presumably a first effort deemed inaccurate,

DIMENSIONS: 16.5cm (6½") High, 35.5cm (14") Wide, 35.5cm (14") Deep

PRICE: £1,280

STOCK CODE: 46379

HISTORY

by repute, this sundial is designed to be accurate at Mounts Bay, Cornwall, but we have been unable to discern an inscription that would confirm this,
