c. 1800,

the rectangular shelf above the cushion moulded frieze and jambs with end-blocks carved with convex roundels, raised on block feet,

DIMENSIONS: 131.5cm (51<sup>3/4</sup>") High, 168cm (66<sup>1/4</sup>") Wide, 26cm (10<sup>1/4</sup>") Deep, (aperture measures: 103.5 x 101.5cm (h x w))

PRICE: £5,875

STOCK CODE: 45483

### HISTORY

This a very smart fireplace carved in distinctive Irish marble that on close inspection has a good distribution of fossils. If viewing on line, note the scale. This chimneypiece is bigger than the usual chimneypieces of this format and age.
