A LATE VICTORIAN CARVED BATH STONE AMORINO HEAD

removed from Park Close, Windsor, during demolition,

turning slightly, delicately carved in limestone with curly locks and with flanking cherubic wings, emerging from a backing block,

DIMENSIONS: 22.5cm (8¾") High, 22.5cm (8¾") Wide, 31cm (12¼") Deep

STOCK CODE: 49080

HISTORY

Park Close was built in a loosely Arts and Crafts style from 1899 to 1901. These cupid heads (we have a series) ornamented the clock tower. The mansion, with a number of ancillary buildings, occupied an estate bordering Windsor Great Park but has now been demolished. It was re-named Windsor Court.
