A LATE VICTORIAN TIMBER WILTSHIRE WAGON,

sometimes known as a "Boat Wagon" - similar to one held at the Museum of Rural Life made by C. Bailey of Combe St. Nicholas c.1894, the wagon constructed in various timbers - oak, ash, elm (as appropriate) - with sinuous side-rails, the ends sporting removable hay-racks, panelled sides, all conveyed on two pairs of graduated cart-wheels, the smaller on a bogeyed axle and drawn with a pair of shafts - also detachable,

DIMENSIONS: 144cm (56³/₄") High, 141cm (55¹/₂") Wide, 303cm (119³/₄") Long, the cart body, the axles 142cm apart, 147 wide at wheel rims, 250cm long the shafts

PRICE: £5,775

STOCK CODE: 49163
