A PAIR OF BRASS 'GEORGIAN' DOOR KNOBS,

an 18th century English mortise-set pattern - cast in heavy solid brass and hand-finished,

the reeded grip with a raised button centre, the plain moulded rose with four screw-holes, linked by a standard gauge spindle

DIMENSIONS: 7cm (2^{3/4}") High, 6cm (2^{3/4}") Wide, rose diameter 6cm/2.25

STOCK CODE: 92298

HISTORY

This is a Georgian design, suitable for 18th or 19th Century interiors, this pattern can also work beautifully in contemporary schemes. Suitable for internal mortise locks but not intended for rim locks (for which one rose needs to be omitted). Spindle gauge is standard and should work in any English mortise lock. These are reproduction door-knobs so can be ordered in quantity if required.
