A PAIR OF FRENCH CARVED GREEN GRANITE BIRDBATHS,

20th Century,

each substantial block carved as a lily-pad pool, incised with a quatrefoil to its base and with curled edges, each populated by a trio of toads, one formerly plumbed as a fountain,

DIMENSIONS: 22cm (8^{3/4}"") High, 62cm (24^{1/2}"") Wide, 92cm (36^{1/4}"") Long, (the other 87 x 65 x 22cm (l x w x h))

STOCK CODE: 45137

HISTORY

These bowls were probably conceived as subordinate bowls to a bigger pool in order that the toad plumbed for a jet could over-flow his bowl into a larger pool.
