A PAIR OF LATE VICTORIAN CAST IRON COMBINATION GRATES

each with an integral rectangular moulded shelf above a frieze modelled in relief with a central demi-lune, relief cast spandrels above the railed basket; blasted, blacked to the fire interior and undercoated with fireproof paint,

DIMENSIONS: 99cm (39") High, 64cm (25^{3/4}") Wide, 27cm (10^{3/4}") Deep, (51cm wide below shelf)

PRICE: £895

STOCK CODE: 47447

HISTORY

Combination grates are found in bedrooms in Victorian terraces – they were made for and enabled narrow chimney breasts (too narrow for a chimneypiece).
