A VICTORIAN PUB ETCHED-GLASS WINDOW PANEL,

one, the smaller, remains of the near pair shown, c.1890, removed from a public house in Redhill Surrey,

the glass rectangle with an arched top - clear not obscured glass - and etched with a pattern of scrolling foliate ornament, a central scallop, and a perched bird, the panel slightly smaller of the series - may have been in a door panel or casement window in the run,

DIMENSIONS: 120.5cm (47½") High, 46cm (18") Wide, 1cm (0½") Thick, each panel (the smaller 119 x 41cm)

STOCK CODE: 48993

HISTORY

This remaining panel is offered unframed.
