A RARE FRENCH ENAMELLED STEEL TOWER-CLOCK DIAL

Normandy, early 20th Century

the circular face with each integer, in a stylish font, applied to a coved plate set into a wrought frame,

DIMENSIONS: 177cm (69^{3/4}") Wide, 7cm (2^{3/4}") Thick, 177cm (69^{3/4}") in Diameter

PRICE: £3,450

STOCK CODE: 46837

HISTORY

Tower clock dials of this size are rare – and the font used, presented in enamel is particularly stylish. The centre, with a fixing point for hands, spindle and mechanism, would probably have been glazed in milk glass and back lit.
