A REGENCY MAHOGANY CARVER,

removed from the former tax-office at Somerset House,
the back-rest, later strengthened with brass collars above the swept arms on bobbin-turned supports, the seat with a vinyl covered squab raised on square section supports, the chair later amended and raised on to rails and castors,

DIMENSIONS: 98cm (38 $\frac{1}{2}$ ") High, 55cm (21 $\frac{3}{4}$ ") Wide, 59cm (23 $\frac{1}{4}$ ") Deep

PRICE: £325

STOCK CODE: 44679

HISTORY

Generous in size and of a graceful design, we can only guess as to why this chair was adapted by a works department to suit the task in hand of its longtime occupant. They clearly needed to scoot about between files when seated for a long day administering tax files at Somerset House.
