A SET OF ENGLISH MID-CENTURY BEECH, ASH AND BLACK VINYL LOUNGE CHAIRS,

by Ben of Frome, date-stamped 1975 - to a 1960's pattern - recovered from a Derbyshire Labour Club, 14 carvers, 14 chairs, each curved splayed back-rest raised on bent-wood rails, with an over-stuffed squab and tapered splayed legs,

DIMENSIONS: 80.5cm (31^{3/4}"") High, 62cm (24^{1/2}"") Wide, 51cm (20") Deep, (the standards max width = 46cm)

STOCK CODE: 44351

HISTORY

These stylish mid-century classics have furnished a Labour Club in Derbyshire for the past forty years. It seems they saw little use though - the members of the social club, only open on weekends, had the habit of congregating on their favourite banquettes; the chairs are in remarkably good condition. 14 carvers and 14 standards available. ALL SOLD
