DIMENSIONS: 76cm (30") High, 46cm (18") Wide

STOCK CODE: 41309

HISTORY

LASSCO has salvaged a huge stock of these stackable chairs from The Examination Schools, Oxford University. Found on the High Street, the impressive buildings, centred on a quadrangle, were built from 1882 by Sir Thomas Jackson Bart. R.A. These seats have seen countless Oxford under graduates of all disciplines endure tough exams over the last few years. The Examination Schools can seat up to 1200 students for lectures and examinations simultaneously
