from the parapet of a bank in Woolwich,
each solid stone block, square in section, carved to the front facade with a ribbon-tied
graduating bell-flower pendant,

DIMENSIONS: 90cm (35½") High, 30cm (11¾") Wide, 31cm (12¼") Deep

PRICE: £725 each

STOCK CODE: 45332

HISTORY

Originally part of the parapet, these stones are roughly finished to the other five sides. Each framed a metope, also carved in relief; the metopes repeated along the front of the stone-clad building. These blocks are well-carved and nicely weathered. They make great pedestals in the garden for urns, statuary etc.
