AN ENGLISH BLACKSMITH'S IRON QUENCHING TROUGH,

19th Century,

the slightly tapered rectangular trough, with ring handles to each short end and raised on stile feet,

DIMENSIONS: 35cm (13^{3/4}"") High, 48cm (19") Wide, 78cm (30^{3/4}"") Long

PRICE: £875

STOCK CODE: 45165

HISTORY

This trough has clearly seen many years of use over many generations. It has received countless white-hot iron-work creations plunged into the tank - cooling them straight off the anvil.
