PRICE: £4,125 the set

STOCK CODE: 46258

HISTORY

A pair of columns and pair of pilasters – can be used in a number of contexts but are for an internal situation often paired and framing an entrance between two spaces. Check-out other architectural salvages from the same interior (if still available): two doorcases 46256 and 46257 , and a fire surround 46255
