AN ENGLISH INDUSTRIAL STEEL STILLAGE

an industrial tank or vat, that would lend itself as a wonderful planter or log-bin, the everted rims to each short end above the tapering rectangular vat, external cross members and rivets to the exterior and a wonderfully patinated original paint finish,

DIMENSIONS: 67cm (26½") High, 103cm (40½") Wide, 62cm (24½") Deep

STOCK CODE: 48989

HISTORY

Note – the steel sheet has rusted thin in places and has been pierced – of itself this vat is no longer water-tight but an internal liner could be employed.
