AN ENGLISH PLASTER SECTION OF GREEK KEY FRIEZE,

available to be bought in series in order to form a frieze,
the running geometric moulding cast in relief from a stoneware original,

DIMENSIONS: 7.5cm (3") High, 22.5cm (8^{3/4}") Wide, 1.2cm (0^{1/2}") Thick, 22.5cm (8^{3/4}") Long

PRICE: £40 each plaque

STOCK CODE: 45565

HISTORY

Our castings of this size are usually sold with integral wire hanging hoops at the back. If buying a series of these in order to create a frieze, or even a single, you will prefer them cast without the hanging hoops in order the frieze is stuck into place rather than hung – being a narrow plaque they sit flatter and straighter on the wall.
