AN ENGLISH SCRATCH-BUILT ALUMINIUM ENGINEER'S MODEL OF A GANTRY TOWER

mid 20th Century

the tapered tower with three decks connected by ladders

DIMENSIONS: 91cm (35^{3/4}") High, 30.5cm (12") Wide, 30.5cm (12") Deep

STOCK CODE: 46886

HISTORY

This model – 3' high by 1' wide – might lend itself to a great plant-stand or standard lamp. It can live outside (and has done for years).
