AN ITALIAN COMPOSITION STONE RECTANGULAR JARDINIERE

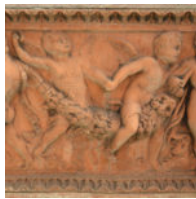

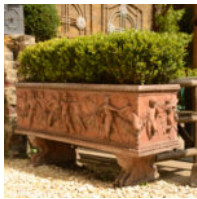

Cast from a 19th Century stoneware original by "Maniffatturo di Signa"

The frieze cast in relief with numerous dancing putti and cherubs forming a chain of fruiting swags around the entire trough, raised on a pair of monopodia supports,

DIMENSIONS: 62cm (24^½") At Highest, 123cm (48^½") Wide

PRICE: £1,440

STOCK CODE: 91065

HISTORY

This is a replica piece. "LASSCO House & Garden" acquired the original antique version of this delightful jardiniere at auction before reproducing it. The Maniffattura di Signa was a large stoneworks based in Florence and Rome. This jardiniere appears in their catalogue of c.1900, illustrated on "Tavola No XXII".
