BICARBONATE OF SODA

.

STOCK CODE: 91349

HISTORY

Can be used to neutralise acid, scrub shiny materials without scratching, deodorise, and extinguish grease fires. It can be used as deodoriser in the refrigerator, on smelly carpets, on upholstery and on vinyl. It can help deodorise drains. It can clean and polish aluminium, chrome, jewellery, plastic, porcelain, silver, stainless steel and tin. It can soften fabrics and remove certain stains and also soften hard water.
