EARLY NINETEENTH CENTURY FLEMISH BAROQUE GILTWOOD MARGINAL MIRROR,

the extravagant foliate and acanthine cresting with subsidiary *verre eglomisé* mirrors backed with red and gold foils, the bevelled mirror-plate in gilt border and with further marginal plates decorated in a conforming manner.

DIMENSIONS: 192.5cm (75^{3⁄4}") High, 91.5cm (36") Wide

PRICE: £12,750

STOCK CODE: 79022

HISTORY

In good antique condition with some minor damage to the cresting. Three of the subsidiary plates to the crest are cracked but it is worth noting that these are well disguised by the nature of their decorative treatment. Some of the *verre eglomisé* is worn.
