## HISTORY

Godfrey Philips Ltd introduced B.D.V cigarettes in the early 1900's and was a popular brand up until 1948 when it was dropped.

The name B.D.V originated from BOYD & Dibrell Virginia who were the US suppliers of their tobacco. Another explanation is that it originates from a court case in 1901 when a member of the Philips family stated in court that the B.D.V brand was an abbreviation of the Latin words "Benedictus dominus vobiscum" meaning the pipe of peace.
